Communications Officer

Reassignment of [redacted]

25X1

1. The subject employee was assigned to Project AQUATOR against Plot # A-d185 on 22 July 1955. As [redacted] recently married, thereby reducing his effective utilization for Project communications duties, it was considered in the best interests of the Project and the individual to reassign the subject employee to a [redacted] position [redacted]. In this function, [redacted] will be directly supporting Project AQUATOR communications duties and it is therefore requested that [redacted] be permitted to retain Project Clearance.
